

The ATCA Obedience/Rally Committee encourages all Airedale owners to show at rally & obedience trials. There are no High Score awards recognized at rally trials.

For the past few years we have recognized the Novice A Airedale with the most First & Foremost points as printed in the Front & Finish Magazine. We also encourage these owners to become members of the ATCA and to continue training their Airedale for more advanced rally and obedience titles. The qualifying period for this award is January 1-December 31.
