Because of Covid-19, the Cherry Blossom Cluster will be held outdoors in the Maryland State Fairgrounds racetrack infield. The Cluster will provide ring tenting, but exhibitors should plan on bringing their own pop-ups for grooming activities. Regrettably, the ATCMW will not be providing Hospitality, nor will we have a sales booth to benefit ATCMW rescue as we have in previous years.

We do, however, continue our tradition of inviting a breeder-judge to do the judging honors!
