

Airedale Terrier Club of America Breeders' Referral List

(Official list as of February 22, 2021)

DISCLAIMER: Members of the ATCA Breeders' Referral List have paid a fee for the privilege of being listed, and have agreed in writing to be bound by the Breeders' Referral List "Guidelines of Responsibility." However, the ATCA assumes no responsibility for the quality, health, or temperament of any dog, nor the warranty, guarantee, integrity, honesty or reliability, expressed or implied, by any person whose name appears on this list. All such warranties, guarantees and promises are between buyer(s) and seller(s) as individuals.

All buyers are strongly encouraged to carefully document, in writing, all representations, promises, statements, warranties and guarantees made by sellers of puppies and older dogs. Such documentation should be signed by the seller. The ATCA cannot and does not become involved in resolving conflicts and disagreements between buyers and sellers. ATCA responsibility is limited to (a) insuring that listed members abide by terms of the Breeders' Referral "Guidelines of Responsibility" requirements which can be found elsewhere on this web site (or by clicking [here](#)) and (b) taking disciplinary action when violations to said guidelines are reported and substantiated (actions may include but are not necessarily limited to removal of reference from this list).

There are currently 70 members on the ATCA Breeders' Referral List. They are listed below by geographical location. Search quickly by clicking on one of these geographical links:
